		Outline of the Syllabus	Bachelor of Education (B.Ed.) Programme through distance mode aims at developing the understanding and competencies required by teachers for effective teaching-learning process at the elementary and secondary level. It enables teachers to select and organise learning experiences according to the requirement of learners. In addition, it provides knowledge and develops in them an understanding of areas such as educational psychology, educational evaluation, school management, etc. so that they will handle the human resource professionally in educational settings.
