TO WHOM IT MAY CONCERN

This is to certify that the Directorate of Distance Education, University of Kashmir does not presently have a substantive faculty in the discipline of M.A. Kashmiri. Pertinently, the Directorate of Distance Education intends to utilize the services of following two permanent faculty members of Department of Kashmiri for offering the MA (Kashmiri) till an arrangement of permanent or contractual faculty is made:

- Dr. Mehfooza Jan (Professor)
- Dr. Shafqat Altaf (Assistant Professor)

Needless to mention that the University of Kashmir offers a full time 2 year masters programme in Kashmiri and has sufficient manpower in terms of faculty at Kashmiri Department.

This is being issued without any prejudice.
